LOUISIANA CIVIL BOARD OF ETHICS

My name is Lionell Lawson, Utilities Director (Sewer Department) for the City of Zachary. This letter is regarding my son, Jeffry Demond Lawson, who is seeking employment with the City of Zachary in the Utilities Department. He is, however seeking employment in the Gas and Water Utilities Department which is in the direct supervision of Jeff Johnson, Utilities Director Gas and Water Director for the City of Zachary. Therefore, his employment will not violate the nepotism rule that is describe in the Louisiana Civil Service Board.

I am asking for an advisory opinion as to whether an ethics rule applies in these circumstances.

Lionell Lawson

Warm regards,
LIONELL LAWSON
